

## Which van do I need?

Not sure which van you need? Here is what each HAF vehicle holds — load size, weight and how many pallets it carries.

### Small Van

Documents, parcels & small boxes

**1.4 × 1.2 × 1.1 m**  
internal LxWxH

**~400 kg**  
max payload

**1**  
pallets

**No**  
tail lift

### SWB Van

Single items or small furniture

**2.0 × 1.25 × 1.4 m**  
internal LxWxH

**~800 kg**  
max payload

**2**  
pallets

**No**  
tail lift

### MWB Van

Bulky single items or a couple of pallets

**2.6 × 1.3 × 1.6 m**  
internal LxWxH

**~900 kg**  
max payload

**2**  
pallets

**No**  
tail lift

### LWB Van

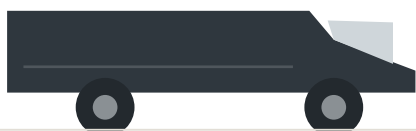

Larger or multiple items

**3.0 × 1.35 × 1.7 m**  
internal LxWxH

**~1000 kg**  
max payload

**3**  
pallets

**No**  
tail lift

### XLWB Van

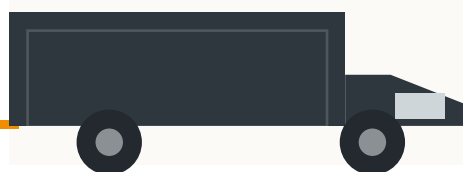

Long or bulky loads

**4.0 × 1.35 × 1.7 m**  
internal LxWxH

**~1000 kg**  
max payload

**4**  
pallets

**No**  
tail lift

### Luton Van

Box body with tail-lift — large palletised or heavy goods

**4.0 × 2.0 × 1.8 m**  
internal LxWxH

**~850 kg**  
max payload

**6**  
pallets

**Yes**  
tail lift

### Bigger or specialist jobs

For house removals, oversized or multi-van consignments, choose **Specialist** on the quote form — these are arranged on request, directly with the courier. Not sure which van? Choose **“Not Sure”** and HAF will match it for you.
